

Constitution Day is an American federal observance that recognizes the adoption of the United States Constitution and those who have become U.S. citizens. It is normally observed on September 17, the day in 1787 that delegates to the Constitutional Convention signed the document in Philadelphia.

Dear Patriots of the North Country of New York,

As the President of the Willsboro Fish and Game Club I am proud to join Congresswoman Elise Stefanik, Senator Dan Stec, Assemblyman Matt Simpson and special guest Betty Little, our retired NYS Senator along with Chairman of the Essex County Board of Supervisors and Supervisor of the Town of Willsboro, Shaun Gilliland in hosting and offering you this special invitation to our Constitution Day on September 18, 2021.

We hope this special event will continue to revive our sense of patriotism and unity after July 4th celebrations and other summer gatherings. This outing is meant to be fun for the entire family and to remind us all that we can still enjoy life as these times of change yearn to normalize.

We will be offering you a picnic atmosphere, games of horseshoes and corn hole while listening to some fine music. Our club's pond will be available for fishing to children ages up to age 16. We will also offer an opportunity for our young folks of 8-12 years old, being guided by our range officers, to enjoy a BB gun contest. Also over on the skeet range we will allow older youth (12-17) and adults to hone ones skills with skeet shooting including competing if one desires. We welcome all elected officials and candidates to compete for bragging rights. Prizes in each category will be awarded. All weapons will be furnished by the club with safety rules and standards in place.

While there is no charge for entry, fishing or the BB gun & usage/range a slight fee for the skeet range will apply for adults. Food, water & soft drinks will be available for purchase from the Willsboro Fish & Game kitchen as well as PaPa Duke's smoked BBQ food truck.

Invite your friends and come enjoy a day amongst the trees and ranges of the Willsboro Fish and Game Club on:
